

EXTERIOR SCREENS

Exterior screens are an excellent solution for your home or office. They not only provide privacy, but also reduce solar heating of your interior space and control up to 99% of the sun's harmful UV rays that can cause skin damage and eye fatigue as well as fade furnishings and carpeting.

A wide variety of colors and styles are available to choose from so you can find the perfect fit for your decor and functional needs.

Sizes Available

CS4 (4" Cassette): Width 3' – 13', Drop: 3' – 10'

CS5 (5" Cassette): Width 3' – 20', Drop: 3' – 16'

CS6 (6" Cassette): Width 6' – 26', Drop: 3' – 16'

CS0 (Open Roller): Width 3' – 26', Drop: 3' – 16'

KE Storm Rail System

In testing, KE Storm withstood a test pressure of 78mph wind speed, including impact from a solid projectile at a speed of 34mph. Storm Rail is one of several fabric guidance options available on KE Exterior Screens.

Fabric Guidance Options

Storm Rail

Designed specifically to withstand high winds and impact from flying debris, Storm Rail uses a zipper guide system that is locked into the side rail and reinforced with a series of specially designed spring clips that absorb impact forces without causing the screen to pull away from the rail. Cross section comparison shown in image.

Zip Track

Fabric with welded side edge zipper offers a captured edge for fabric side retention and bottom hem bar end into a U shaped track with insert.

Recessed Zip Track

Inner and outer tracks are recessed into wall or columns and hidden from view upon final construction and installation.

Standard Track

U-shaped track rail with bottom hem bar end cap designed to move up and down inside the track opening.

Cable Guide

Wire top attachment to bracket or cassette guided through bottom hem bar end cap with optional attachments at the bottom.

Rod Guide

Stainless steel solid rod guidance with attachment to bracket or cassette guided through bottom hem bar end cap.

Free Hanging / No Guidance

Option with external bottom hem bar profile or concealed weight bar in fabric pocket without cable, track rail, or rod guidance assistance.
